

# British Soft Fruits

Place UK are recognised as a leading grower of high quality British soft fruits for all the UK's major supermarkets, including M&S, Tesco, Waitrose, Sainsbury's and the Co-Op.

We are part of Europe's biggest soft fruit marketing group, Berry Gardens, and are involved in one of the world's foremost plant breeding and supply programmes.

Produce includes strawberries, raspberries, blackberries and rhubarb. Our own growers have created delicious, mouth-watering soft fruits and flavours instantly recognised on consumers' and buyers' palates.

Restaurant foodies and discerning buyers are in for a fruitful surprise.

**You won't find better British soft fruits anywhere.**
